Up and down the boulevard
Their shadows searching in the night

you're up!
My loneliness is killin' me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign, hit me baby one more time

Together Wendy we'll live with the sadness
I'll love you with all of the madness in my soul
Someday girl I don't know when
We're gonna get to that place
Where we really want to go
And we'll walk in the sun
But 'til then tramps like us
Baby we were born to run
